Unemployment Insurance:

How would you apply for Unemployment Insurance?

The webpage to file for unemployment can be found [here](#).

They also have a guide available: [Claimant Guide](#)

ID.me
Like many state unemployment insurance agencies, the Kentucky Office of Unemployment Insurance uses ID.me, a third-party identification service, to verify the identity of anyone filing a claim for unemployment insurance benefits.
- All claimants must verify their identity before filing a claim.

Helpful ID.me information & tutorials
For more information about ID.me, visit the following links:
